

# TRINITY INSTITUTE'S 39<sup>TH</sup> THEOLOGICAL CONFERENCE

## RADICAL ABUNDANCE: A THEOLOGY OF SUSTAINABILITY JANUARY 21–23, 2009

[www.trinitywallstreet.org/institute](http://www.trinitywallstreet.org/institute)

Christ Church has partnered with Trinity Institute to offer a conference on *Radical Abundance* which will consider unique ways to go beyond recycling and work toward a fundamental shift in our culture. In its vision of social justice, all people are full partners in healing our planet and our social environments, regardless of social or economic status. Come and be part of the environmental solution! Do not feel obligated to attend every session, but we urge you to attend as many of the presentations as you can.

As a Trinity Institute partner, we will bring, via a high-speed video link, world-class speakers to our community: MacArthur Fellow/Sundance Channel host Majora Carter; environmental theologian Timothy Goring; best-selling author David Kurten, Professor of New Testament Studies Nestor O. Miguel from Buenos Aires; and Sr. Miriam MacGillis, preacher.

Trinity Institute's opening Eucharist will feature the Trinity Choir, considered one of New York's finest professional vocal ensembles, and Paul Winter, a six-time Grammy Award-winning saxophonist, bandleader, and composer.
